## **DYNAMIC DESTINATION FOR RESIDENTIAL, OFFICE AND RETAIL**

The 310,000 employees currently working in Lower Manhattan will grow as new and repositioned office space continues to come on-line.

The World Trade Center complex and Brookfield Place are now occupied.

61,000 people live in Lower Manhattan and more than 3,600 additional residential units are currently under construction or are scheduled for completion.

Nearly 2,000,000 square feet of new or repositioned retail space is or will be available in Lower Manhattan.

New, state-of-the-art transportation hubs account for 127 million riders in and out of Lower Manhattan each year.

## **156 WILLIAM STREET IS THE IDEAL MEDICAL LOCATION DOWNTOWN**

156 William Street is Lower Manhattan's only all-medical office building located directly across the street from New York-Presbyterian/ Lower Manhattan Hospital, providing the unique opportunity to create a downtown medical campus.

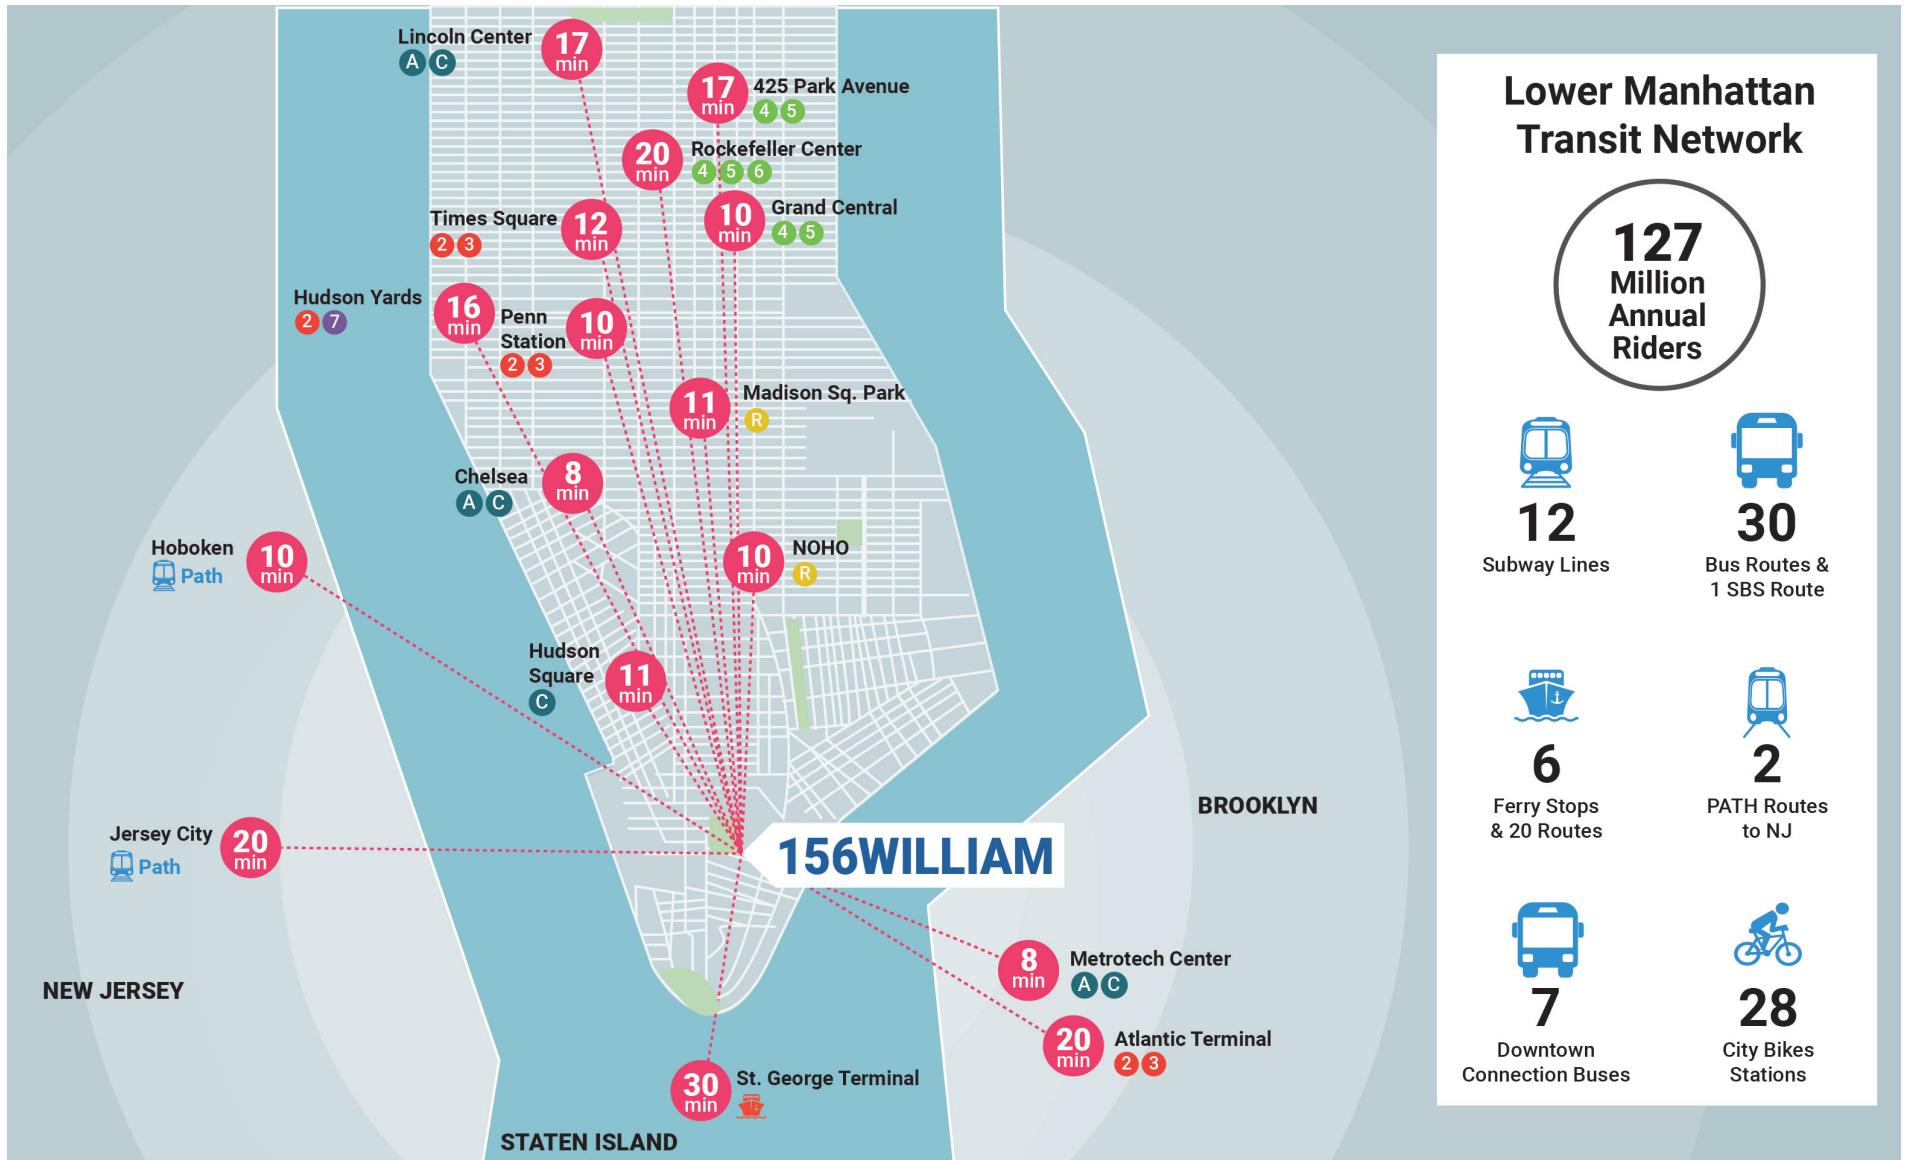

### **Notables**

- Ownership will build to suit
- Flexibility with respect to term and expansion
- Ambulatory Care/Surgery (Article 28 compliance)
- Opportunity for medical tenants to collaborate and exist in a healthcare campus environment
- Macklowe level of service
